Employment Opportunities

4/22/2021

Thursday Town Tidbits

Due to the lower temperature and sporadic rain sprinkles, we are moving the Recycle Smyrna Red Kick-Off to the Smyrna Police Department at 325 W. Glenwood Ave. Please join us at 5 PM!

Follow the
LECD Method
(Loose, Empty
Clean, Dry)

#1 (PETE) and #2 (HDPE) are the most common types of recycled plastic. Look for the triangle with a number stamped on the bottom of any bottle, container, or bag to determine the type of plastic. This usually includes plastic bags, #1 and #2 plastic bottles and containers, and miscellaneous bottle caps.

All recyclables must be clean:
No food or liquid residue!

Rinse/dry/remove lids from
all plastic bottles and
containers. Place items in a
bag or container.

Once your bag is
full, please drop it
off behind Town
Hall in the
designated area!

All items dropped off will be weighed and give us the opportunity to purchase from EcoPlastic several red benches and handicap picnic tables for our parks!

With your help we will be reducing landfill waste, saving the environment, and most importantly coming together as a community for our future.

Anyone and everyone wanting to make a difference in the community is welcome to join members of the Parks and Recreation Committee, as well as members of the Town Council, as they formally announce the "Recycle Smyrna Red" initiative to commemorate Earth Day 2021.

WHERE:

**Smyrna Police Department
325 W. Glenwood Ave
Smyrna, DE 19977**

WHEN:

Thursday, April 22, 2021, at 5 PM
Announcement of the program to start promptly and include brief statements with photo opportunities afterward.

Celebrate **Earth Day 2021** by learning how to recycle right in Delaware. To reduce the confusion on what is acceptable to recycle in Delaware, DNREC's Delaware Recycles program has launched a new search tool

called **Recyclopedia**. The online tool allows anyone to easily search for an item that is no longer needed and provides a solution to properly dispose of it.

Recyclopedia can help guide you. Visit de.gov/recycling.

George C. Wright Jr. Municipal Park, including the playground area, is now OPEN!

Are you REAL ID ready?

On October 1, 2021, U.S. travelers must be REAL ID compliant to board domestic flights and access certain federal facilities.

Find out if you're REAL ID ready with the **interactive tool!**
